

MEDIA LABS ANCONA - FINAL EXHIBITION

On 8 and 9 May 2013 the learners presented the results of the Labs in a final exhibition.

The exhibition was organized by the learners themselves, who have created cards, poster and facebook event.

Here are the results of

The exhibition was a very effective tool to disseminate the project within the local community:

- Public authorities
- Local VET organizations
- Youth centers
- Teachers

The aim was to present the final works of the learners and create a strong connection with the local community
